PRODUCTION PROCESS

OUR PRODUCTION PROCESS

From your first enquiry to final delivery, we make the process simple, transparent, and collaborative, ensuring every packaging system is crafted to the highest standard.

01. Consultation

We begin by understanding your brand, products, packaging requirements, and vision to recommend the best packaging solution

02. Design & Quotation

Our team develops your packaging concept and prepares a detailed quotation based on your selected collection and customization requirements.

03. Approval

Once you're satisfied with the design and quotation, we obtain your approval before moving into production.

04. Production

Your packaging system is carefully manufactured using premium materials and quality craftsmanship, with every detail produced to specification.

05. Quality Inspection

Every order undergoes a thorough quality check to ensure it meets our standards before it leaves our production facility.

06. Delivery

Your finished packaging is securely packed and delivered, ready to elevate your brand and create an unforgettable unboxing experience.

Estimated Timeline

Production timelines vary depending on the complexity of your project, order quantity, and finishing requirements. A delivery schedule will be confirmed once your order has been approved.

TERMS & ORDERING INFO

ORDERING

To ensure a smooth experience, please review the following information before placing your order.

Minimum Order Quantity (MOQ)

All packaging collections have a minimum order quantity of 25 packaging systems.

Payment Terms

To begin production, a 70% deposit is required after the final design has been approved. The outstanding 30% balance is payable before your order is delivered or collected.

Design Approval

All artwork and design proofs must be approved by the client before production begins. Luxsome is not responsible for errors after final approval has been given.

Production Timeline

Production timelines vary depending on the scope of the project, order quantity, and finishing requirements. An estimated completion date will be provided upon order confirmation.

Delivery

Delivery costs and timelines vary based on your location and preferred shipping method. These will be communicated before your order is dispatched.

Custom Orders

Projects requiring custom sizes, speciality materials, or bespoke finishes will receive a separate quotation based on the required specifications.

Need Assistance?

If you're unsure which collection is right for your brand, our team is happy to guide you and recommend the most suitable packaging solution for your needs.

Thank you for choosing Luxsome. We look forward to creating a packaging experience that reflects the quality and story of your brand.
